

Date: 16-07-2022

From,  
Coordinator,  
Professional Society Coordination Committee

To  
The Principal,  
Aditya Engineering College (A)  
Surampalem.

Respected Sir,

The Professional Society Coordination Committee of Department of Agricultural Engineering is proposing to organize a one-day workshop on "**Cooling Technology in Food Processing and allied Industries**" on 12-08-2022, Friday for B. Tech V and VII semester students to impart knowledge and insights about processing and preservation of food. Hence, I request you to give permission to organize the workshop for the benefit of all the students and sanction an amount of Rs. 12,500/- for smooth conduction of the workshop.

The Guest Speaker will be **Dr. P. C. Vengaiah, Senior Scientist**, HRS, Dr. Y S R Horticultural University, Tadepalligudem, Andhra Pradesh.

Please find below the budget estimation for the same:

S. No	Budget Head	Amount
1	Honorarium	10,000/-
2	Travel Allowance	1000/-
3	Miscellaneous	1500/-
<b>Total amount</b>		<b>12,500/-</b>

Thanking you Sir,

Yours sincerely,

Departmental Coordinator  
Head of the Department  
Department of Agricultural Engineering  
ADITYA ENGINEERING COLLEGE (A9)

To: ADITYA HOD\_AGE <hod\_age@aec.edu.in>

Dear Sir,

I am happy to receive your invitation. You can fix any day in the second week of August 2022.

Thank you,

**Dr. P. C. VENGAIAH,**

**Principal Scientist,**

**Department of Food Processing,**

**Dr. Y. S. R. Horticulture University,**

**Thadepalligudem, Andhra Pradesh.**

Respected sir,

On behalf of Aditya Engineering College, I would like to inform you that we are planning to organize a one-day Workshop entitle "Cooling Technology in Food Processing and allied Industries" which is going to be organized by the Department of Agricultural Engineering during the month of August. Based on your availabilities kindly inform one date so that we can confirm the date of workshop. With your expertise in the field of Food Processing Engg., we are confident that you will be able to impart numerous valuable knowledge and insight pertaining to the theme. We are inspired by your story and know that you will be able to bring inspiration to all the participants if you would oblige to our invitation. We hope you would be our speaker for the coming event.

Thank you.

With best Regards,

B. Krishna Kanth,

Assistant Professor & HOD

### Resource Person Profile

**Name** : Dr. P.C. Vengaiah

**Designation** : Principal Scientist at Dr. Y.S.R Horticulture University

**Qualification** : Ph.D in Food Processing Engineering

**Profile** : Scientist at HRS, Dr YSR Horticultural University, Andhra Pradesh, India. He has more than 15 years of experience in research in the field of Food processing. He focused on research area in sugar palms, which is unique and developed processing unit of first its kind in India for palm products. He also conducted trainings to farmers on entrepreneurship development programme. He holds memberships in professional associations i.e. Indian Society of Agricultural Engineers (ISAE), Institution of Engineers (India), Association of Food Scientists and technologists of India (AFSTI), Nutrition Society of India (NSI), Indian Science Congress etc. He has presented many scientific papers in National and International conferences and published more than 40 articles in indexed and Scopus journals. He has a Contributory Editor for many journals. He was the recipient of the Young Scientist award in 2016, Swadesi palmyrah award in 2017, Best Researcher Award in 2018 and Outstanding Researcher award in 2019 and 2020, Incredible Researcher Award in 2021. He has served as an examiner for postgraduate in various universities across India.

## Department of Agricultural Engineering

Date: 08-08-2022

### CIRCULAR

All the B. Tech V and VII semester students are hereby informed that the Department of Agricultural Engineering will be organizing a Workshop on “**Cooling Technology in Food Processing and allied Industries**” on 12-08-2022. Hence, the interested students are advised to give their names to the Program Coordinator **Mrs. S. Jhansi Lakshmi**, Assistant Professor, Department of Ag. E on or before 10-08-2022.

**Venue:** Seminar Hall, Room No-202, James Watt Bhavan.

**Timings:** 9:30 AM to 4:30 PM

Head of the Department

Head of the Department  
Department of Agricultural Engineering  
ADITYA ENGINEERING COLLEGE (A9)

### ABOUT THE WORKSHOP

This course will cover basics of processing and preservation technologies required in any processing industries. The basic knowledge on thermal processing is intermingled with most of the unit operations at some or other stage of processing. Since, these basic aspects of thermal operations are not taught in most of the engineering institutions elaborately, a comprehension of these aspects of thermal processing will enrich the knowledge base of the students in general.

### OUTCOMES

The participants of the workshop will be able to understand the food processing and preservation techniques

### RESOURCE PERSON

**Dr. P. C. Vengaiah**

Principal Scientist,

Dr. Y.S.R Horticulture University.

### COORDINATOR

**Er. S. Jhansi Lakshmi**

Assistant Professor

## Department of Agricultural Engineering

### A One-day workshop on Cooling Technology in Food Processing and allied Industries

#### Report

**Venue** : Room no: 202, Seminar Hall, James Watt Bhavan

**Date** : 12-08-2022

**Resource person** : Dr. P.C. Vengaiyah, Senior Scientist, HRS, Dr. Y S R Horticultural University, Tadepalligudem

**Number of participants** : 53

**Objective** : The objective of this workshop is to encourage students to implement their innovative ideas in starting any startup on agriculture-based industries.

**About the workshop** : The Department of Agricultural Engineering has organized a workshop on "Cooling Technology in Food Processing and allied Industries". In this workshop, the speaker discussed about processing and preservation of food through cooling technology and rising per capita income. This leads to increase in internal demand as well as export opportunities for products. The workshop was further enlightened by the interesting questions answer session in the last which gave true colors to the workshop and gave chance to young innovators to speak their doubts regarding cooling technology.

**Outcome** : Students were able to understand the processing and preservation of food through cooling technology.

**Closing remarks** : Finally, HOD has given closing remarks on this workshop. The HOD felicitated the speaker with a memento for his valuable speech about Cooling Technology. At the end the convener of the program handed over Rs.10,000/- to the speaker as a token of gratitude.
