

Name: Raffiunnisa

Qualification: M.Sc Analytical chemistry

Designation: Assistant Professor

Work Profile:

During my 10year teaching career in Aditya Engineering College, I played a key role in:

- Enhancing the Teaching Learning experience by preparing Course materials for all Chemistry courses.
- Designing the curriculum for all Chemistry courses of AR-17, AR-19 and AR-20 academic regulations.
- Designing the Student Induction program, mandated by AICTE for I B.Tech students.
- Mentoring the students through UHV as mandated by AICTE.
- Designing customized text books for Two Chemistry courses offered in I year B.Tech of AR-17 Regulations of Aditya Engineering College (A) through Pearson Publishers.
- Following OBE processes and imparting relevant knowledge to students as well as fellow teachers.
- Steering the students to offer Online Learning to B.Tech first year students through Google classroom/Microsoft Teams during COVID-19 Pandemic.

Positions Held:

Assistant Professor in Chemistry

Academic Achievements:

- Qualified APRCET in the year 2019

Certifications:

- Completed the following certifications through Coursera/ NPTEL:
- Organometallic compounds, offered by IIT Madras.
- Municipal waste Management, offered by IIT Bombay.
- Introduction of Solids in Chemistry, offered by Course era.
