

Date: 28.03.2019

From  
Dr. B.Krishnaveni,  
Convener,  
Health Committee,  
Aditya Engineering College (A).

To  
The Principal,  
Aditya Engineering College (A).

Respected Sir,

Sub: Request to grant permission to organise an awareness programme-reg.

The Health Committee is proposing to organise Awareness Programme on **"Protective measures from Cancer"** on 08-04-2019 for all students to impart the knowledge and insights about cancer. Hence, I request you to grant permission to organise the programme for the benefit of the students and sanction an amount of Rs 8,000/- for smooth conduction of the programme.

Please find below the budget estimation for the same.

S.No	Particulars	Amount in Rs.
1	Honorarium	6,000
2	Travel Allowance	1,000
3	Miscellaneous	1,000
Total		8,000

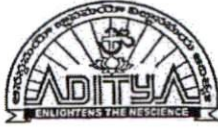

Thanking you sir.

Yours sincerely

B. Krishnaveni

## ABOUT THE PROGRAMME

Cancer is a disease in which some of the body's cells grow uncontrollably and spread to other parts of the body. Cancer can start almost anywhere in the human body, which is made up of trillions of cells. Normally, human cells grow and multiply (through a process called cell division) to form new cells as the body needs them. When cells grow old or become damaged, they die, and new cells take their place. Many times, cancer cells rely so heavily on these abnormal behaviors that they can't survive without them. Researchers have taken advantage of this fact, developing therapies that target the abnormal features of cancer cells. In this programme the preventive measure for cancer will be explained.

## OUTCOMES

After completion of the programme, students will be able to

- Understand the causes of cancer.
- Implement the precautions for cancer in daily life.

## RESOURCE PERSON

Dr.Raheem, MS(Ortho)

## Event Report

**Name of the Event:** Awareness Programme on "Protective measures from Cancer"

**Introduction to Event:** In today's life style cancer is posing a major problem. Different types of cancer like lung cancer, blood cancer and colon cancer are prevalent in the society. In this training the knowledge regarding the causes of cancer and techniques to avoid the growth of cancer are provided to students.

**Event Dates:** 08-04-2019

**Co-ordinator:** Mrs.Kothapalli lakshmi, Associate Professor, Department of CE.

### **Event Flow:**

- Morning Session on causes of cancer.
- Afternoon session on preventive measures of cancer.

**No. of Participants:** 108

### **Name of the Expert with Designation:**

Dr.Raheem, MS(Ortho)City Orthopedic Hospital, Kakinada.

**Venue:** Room No – 101, Seminar hall, Bill Gates Bhavan

**Hospitality/Accommodation:** Yes

### **Staffing:**

Mr.K.Bhagat Kumar, Asst.Professor.

### **Outcomes:**

- Students understood the causes of cancer.
- This knowledge will guide them in implementing a cancer-free life.

### **Closing remarks:**

The training programme was carried out successfully with active participation of students. The training will help the students to apply cancer mitigating measures in their daily life.
