ABOUT THE PROGRAMME

Today, Ethics and etiquette in engineering practice is about professional responsibilities of engineers. Professional ethics have been recognized as an important foundation in the practice of engineering students. As a response to this concern, a new discipline, engineering ethics, is emerging. Recently, ethics and etiquette has attracted the attention of several colleges of engineering. This webinar addresses the important educational issue, highlights the need to introduce ethics and etiquette an early stage to engineering students.

OUTCOMES

After completion of the programme, students will be able to

- Resolve the moral issues in the profession.
- Develop Ability to think critically and independently about moral issues
- Develop concepts based on moral issues and enquiry

Report on Seminar on Ethics and Etiquette

Event Name : Seminar on Ethics and Etiquette

Introduction to Event :

This Seminar was conducted on 4th October 2021 in order to create better citizens and society. Ethical values do not allow the students to act violently and unethically. Crime against women, theft, and other immoral issues in a society can easily be tackled by imparting ethical values. However, from a broader perspective, our college has taken proactive steps to address and respond on the importance of Ethics and Etiquette in Engineering.

Co-ordinator : Mr.Ch.Govinda, Assistant Professor, Department of EEE.

Venue: Seminar Hall, Bill Gates Bhavan, Room Number-101

No. of Participants: 131

Agenda: Ethical Principles, Basic Etiquette

Expert with Designation : Dr. B. Sivanaggaiah, working as Associate Professor, has got 20 years of experience not only in teaching but also giving training to the Engineering students in soft skills in the Department of English K.L University, Vijayawada.

Venue : Cotton Bhavan Seminar Hall (Room No: 208)

Hospitality/Accommodation: Yes

Staffing:

1. Dr. M.S.C. Sophia, Professor, Department of English, Aditya Engineering College Surampalem.

2. Mr.B.Rambabu, Asst.Professor, Department of English Aditya Engineering College, Surampalem.

Outcomes: After this programme, students have learnt to demonstrate ethical awareness, ability to do ethical reflection, and the ability to apply ethical principles in decision-making.

Conclusive Remarks:

This programme was conducted successfully fulfilling the goal of making students to learn the ethical awareness, reflection, and decision-making ability. As it was one of the good opportunities, all the participants involved and interacted well.
